REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 42-46 are allowed at least for the reason that the prior art of record does not teach or reasonably suggest the light scanning apparatus comprising a first lens barrel portion, which holds a first laser element, a second lens barrel portion of which an optical axis is slanted with respect to an optical axis of said first lens barrel portion, a part of a side wall of said second lens barrel portion being shared with a part of a side wall of said first lens barrel portion, and said second lens barrel portion holding a second laser element, a first lens provided at a tip of said first lens barrel portion, a second lens provided at a tip of said second lens barrel portion, plural lens supporting portions, which support parts of circumferential surfaces of said first and second lenses, except at a position in which the circumferential surfaces of said first and second lenses are close to each other, and a rotary polygonal mirror positioned for common scanning of first and second laser beams respectively emitted from said first and second laser elements, as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
